Our 24/7 Flight Support Team is available to assist you with flight delays and cancellations 24 hours a day. Please have your flight confirmation # (highlighted in yellow on your flight itinerary sheet) available to give to the agent. If an airline cannot re-accommodate you to your satisfaction or you choose another airline, you are responsible for payment for these flight changes.

FLIGHT STATUS

Your best option for keeping track of your flights is to download the airline's App from Google Play or The App Store. **IT IS YOUR RESPONSIBILITY TO CHECK THE STATUS OF YOUR FLIGHT.** You can find your flight status by going directly to the airline website or mobile App and entering your flight information for updates. Some airlines allow you to be notified by text or email of a flight delay or cancellation.

FLIGHT DELAYS

If your flight is delayed, it is important that you still go to the airport and check in as normal; delayed times often change, or in the case of a missed connection, the airline will need to reaccommodate you.

REIMBURSEMENT FOR DELAYED/CANCELLED FLIGHTS

If an airline cannot re-accommodate you to your satisfaction, or you choose another airline, **you will be responsible for payment or change fees for flight changes.** You may be entitled to reimbursement depending on the situation. Keep all receipts (i.e. air, hotel, food, etc.)

FLIGHT DELAY/CANCELLATION

(Please look at [ALL OPTIONS](#) for assistance)

Even if your flight is delayed or cancelled, it is important that you still go to the airport. By being present at the airport, you maximize your chances for prompt rebooking, real-time support, and access to a wider range of solutions. Get in line to speak with customer service or a gate agent. While in line, you can also utilize the below options.

- **Automatic Rebooking:** In some cases, airlines will proactively rebook you on the next available flight. You will typically receive a notification via email, text message, or within the airline's app, containing your new itinerary and instructions for further action if necessary.
- **Online Rebooking:** Most airlines provide passengers with the ability to rebook their flights directly through the airline's website or App. After accessing your reservation, you can review updated schedules, select from available alternative flights, or make new arrangements as necessary.
- **Mobile App Support:** Airlines often have user-friendly apps allowing you the ability to use a chat tool to change your reservation on the go. This is particularly helpful for travelers who need to make quick decisions while at the airport or in transit.
- **Call The Airline:** You can call the airline to be reaccommodated on the next available flight. Please have your flight confirmation # handy, as it will be required. Although most reservations agents are very helpful during this time, if you experience difficulties or are not satisfied with assistance, please hang up and call the airline again until you are fully assisted.
- **Flight Support Team Helpline:** You can contact our 24hr Flight Support Team Helpline at 1-877-580-0786 or 303-876-4247. Please have your flight confirmation # (highlighted in yellow on your flight itinerary) available to give to the agent. Due to changing airline rules and restrictions, the Flight Support Team has restrictions on the changes we can make to your reservation during such events.

AT THE AIRPORT

Sunday, April 26, 2026

Arrive at the airport early to allow adequate time for checking bags, completing security screening and getting to the departure gate.

IMPORTANT TRAVEL DETAILS

- Please arrive at the airport 2 hours prior to your flight. Having you at the airport prior to your flight helps to re-book you in the event of flight delays/cancellations. Heightened security means longer wait times. You may be denied boarding if you are not checked-in 60 minutes prior to departure. **Any checked baggage must be checked in no later than 60 minutes prior to departure.**
- Your valid Government issued ID will be required at check-in.
- You are allowed one (1) carry-on bag not to exceed 9" x 14" x 22" plus one (1) personal item; such as a purse, briefcase or laptop onboard the plane.
- You are allowed to bring a quart-sized bag of liquids, aerosols, gels, creams and pastes in your carry-on bag and through the checkpoint. These are limited to travel-sized containers that are 3.4 ounces (100 milliliters) or less per item. Placing these items in the small bag and separating from your carry-on baggage facilitates the screening process. Pack items that are in containers larger than 3.4 ounces or 100 milliliters in checked baggage. Any liquid, aerosol, gel, cream or paste that alarms during screening will require additional screening.
- No knives of any size, straight razors, scissors over 4 in. in length, arc lighters, plasma lighters, electronic lighters, E-lighters or knitting needles are allowed in your carry-on. These items must be placed in your checked baggage. A list of these and other items can be found on the TSA website.
- You may be asked to remove personal electronic devices larger than a cell phone from your carry-on bag and place them into a bin with nothing placed on or under them for X-ray screening. Common examples of these devices include laptops, tablets, e-readers and handheld game consoles. This does not include items such as hair dryers, electric shavers or electric toothbrushes.
- Prescription medication should be in its original container and kept with you at all times in your carry-on bag. **DO NOT put medication in your checked baggage.**

THESE RESTRICTIONS ARE SUBJECT TO CHANGE AT ANY TIME.
